Hello!

At Caliber Home Loans, we examine your escrow account at least annually to make sure there is enough money in your account to cover your tax and/or insurance payments. This review accounts for any increases or decreases in your taxes or insurance that can result in changes to your payment amount. The following outlines your actual escrow account activity since your previous disclosure or initial disclosure and the anticipated activity for the next 12 months.

Based on our review, you have a surplus of \$90.55. A surplus occurs when the anticipated escrow account balance exceeds the required balance, assuming all escrow payments are made and your loan is current when the analysis is performed. If there are outstanding payments due on your loan, funds may not be available in your escrow account. Due to the status of your loan, available funds will be retained in your escrow account.

To view differences between your current payment and new payment, please refer to Section 1 below. To view changes in your escrow account, please refer to Section 3 of this statement. Your surplus was calculated based on the information in Section 2 below. Section 2 includes changes that are anticipated over the next 12 months, while Section 3 displays your history as of the last escrow analysis.

Section 1 - Payment Breakdown

This section provides a breakdown of both your current and new payment which will become effective 10/01/2019.

Payment Breakdown	С	urrent Payment	New Payment Effective 10/01/19		
Principal & Interest	\$	307.99	\$ 307.99		
Base Escrow Payment	\$	215.09	\$ 209.42		
Shortage Payment	\$	7.01	\$ 0.00		
Surplus Adjustment	\$	0.00	\$ 0.00		
TOTAL	\$	530.09	\$ 517.41		

If you utilize a bill paying service, please notify them of the payment changes scheduled to occur.

Section 2 - Surplus Calculation & Anticipated Escrow Activity

This section displays information regarding your surplus and anticipated escrow activity for the next 12 months.

Your surplus was calculated by taking the difference between your anticipated escrow balance and your required balance at the projected lowest point of your anticipated balance over the next 12 months. These balances are identified in the chart below in red next to the following symbol (>).

ANTICIPATED ESCROW BALANCE \$509.39 - MINIMUM REQUIRED BALANCE \$418.84 = SURPLUS AMOUNT \$90.55

To ensure your account maintains enough money for future tax and insurance payments, a cushion is maintained on your loan when applicable, to help avoid a negative balance in your escrow account. This cushion may include up to two months' worth of your base escrow payment to cover increases in your tax or insurance payments. Your escrow balance should not fall below \$418.84, which is your cushion amount and required balance. (Mortgage insurance is not included in your cushion calculation.)

For assistance with your payment, please contact Caliber Customer Service at 1-800-401-6587.

If your loan is contractually current in status, a check for the surplus amount will be mailed to you under a separate cover. If your loan is delinquent in status, the surplus amount will remain in your escrow account and will not be released at this time. (No additional data available)

Section 3 - Escrow Account History

This section itemizes your actual escrow account history since your last escrow analysis or initial disclosure. By comparing previous projections with actual payments and disbursements, you can determine where a difference may have occurred. An asterisk (*) indicates a difference in either the amount or date.

When applicable, the letter 'E' beside an amount indicates that a payment or disbursement has not yet occurred, but is estimated to occur as shown.
